

To Dot
December 23, 2001

I have so much to be thankful for,
I'll never have less, but I might have more
To my children, their spouses, and grandchildren too,
And of course to my wife my greatest debt is due.
I'm not much in a rhyming phase you can see
But I don't forget, Dottie, what you've done for me.

So
Happy Birthday,
Sweetheart!
